

550

This technical drawing shows a vertical pipe assembly. The pipe is supported by two fixed points, indicated by hatched areas and horizontal lines, one at the top and one at the bottom. The distance between these two points is dimensioned as 550. The pipe has a diameter of Ø19, indicated by a horizontal dimension line. A horizontal line at the top of the pipe is dimensioned as 675. The pipe has a central section with a flange and a side connection. The drawing is a line drawing with no shading.
